Subject: 1927 Hudson High School

To Whom It May Concern:

As a Hudson resident who recognizes the lasting impact that plans for the future use of the historic 1927 Hudson High School building will have on our community, I urge you to reject the proposed plans by Liberty Development. Retaining only the front façade would be a historic preservation tragedy and would be an insult to Hudson's legacy of respecting its history and the aesthetics of the community.

I also urge you to postpone any demolition plans for the historic building, while alternate studies are completed and a wider net is cast to explore adaptive reuse alternatives.

Hudson citizens paid for the historic school and the land. The voices of Hudson's citizens should be heard.

Sincerely,
