

HUDSON HERITAGE ASSOCIATION PRESERVATION AWARDS 2022

The Hudson Heritage Association Preservation Awards Program annually recognizes and honors historic structures in Hudson that have been well preserved or restored within the last five years in a manner that maintains the historic integrity of the property. No minimum or maximum number of awards will be given in any year.

To be eligible for the award, properties must be at least 75 years old, and may include private residences, commercial buildings, publicly owned buildings, non-profit organizations and historic landscapes.

CRITERIA FOR NOMINATIONS

- All nominated properties must be located within the City of Hudson, Ohio.
- To be considered, restoration and preservation projects must have been completed on or after September 15, 2017.
- Properties may be nominated by their owners or by another individual or group.
- Consideration for awards will include appropriateness of the materials used on both the exterior and interior parts of the structure, including landscaping materials, and on the historic accuracy of any preservation or restorations made.
- Awards will be given only if all criteria are met and the work done follows the United States Department of Interiors Guidelines for Rehabilitation of Historic Structures, as well as any local building codes or requirements.
- Applicants must complete application requirements in a timely manner.

Applications submitted that meet all requirements will be judged by an impartial panel of individuals who have expertise in historic preservation. No members of Hudson Heritage Association will act as judges.

2022 HUDSON HERITAGE PRESERVATION AWARDS NOMINATION REQUIREMENTS

All nominations must include:

- A project overview that includes information about the history of the property/structure, the project's objectives and a narrative about the work that was done.
- Project contributors showing names and addresses of all of the major contributors for the project - architect, designer, contractor, etc.
- Photographs showing the property both before and after the project was done. Submit as many as necessary to illustrate project.
- On-site inspections of the nominated property may be required by the judges.

Nominations may be submitted beginning September 15, 2021. The deadline for applications is January 31, 2022. No applications will be accepted for the 2021 award after that date. Winners will be notified on April 10, 2022.
